In the beautiful mountainous kingdom of Arendelle, Princesses Anna and Elsa grow up sheltered inside their castle, isolated from the world and increasingly distant from each other. When Elsa is crowned queen, the magical powers she's desperately tried to conceal from her sister take control, and she flees into the mountains. As a ferocious winter descends on Arendelle, Anna sets off on an epic journey to find Elsa and bring her home - with the help of hardworking ice harvester Kristoff, his loyal reindeer Sven, and a happy-go-lucky snowman named Olaf.

Guys and Dolls is an oddball romantic comedy. Gambler, Nathan Detroit, tries to find the cash to set up the biggest craps game in town while the authorities breathe down his neck; meanwhile, his girlfriend and nightclub performer, Adelaide, laments that they've been engaged for fourteen years. Nathan turns to fellow gambler, Sky Masterson, for the dough, and Sky ends up chasing the straight-laced missionary, Sarah Brown, as a result. Guys and Dolls takes us from the heart of Times Square to the cafes of Havana, Cuba, and even into the sewers of New York City, but eventually everyone ends up right where they belong.
